Tips for reducing your fees and charges

There are a number of ways you can reduce or avoid the fees and charges you could incur as part of your transactional activity whilst using your People’s Choice transaction or savings accounts and services.

As everyone’s transactional behaviours are driven by their individual needs, the information provided below can only be considered as general information and you should consider your individual circumstances when determining how to adapt your behaviour to reduce or avoid fees.

For further information, assistance and advice on how to reduce your transactional or service fees, please contact the People’s Choice National Contact Centre on 13 11 82 or visit your local People’s Choice branch.

Choose the right account for your needs

You should choose the account best suited to your needs by looking at your transacting and banking patterns.

Since everyone has different transactional requirements, it might be best to talk to our staff on 13 11 82 to discuss your requirements and options available in detail.

Consolidate your banking

If you hold funds or have accounts with other financial institutions, it may make sense to consolidate your accounts to minimise your fees. Our staff can assist you to switch your accounts to People's Choice.

Check account balance before you transact

Keep your ATM transaction slips as a record of your balances held and avoid attempting transactions when you have insufficient funds, or use the account balance facility before attempting a withdrawal to avoid overdrawing from your account. Phone Banking, Mobile Banking and Internet Banking are free services that you can also use to find out your account balances before you transact.

Choose the right ATM

People's Choice ATMs, Heritage ATMs and many ATMs operated by other financial institutions are direct charge free for People's Choice cards. We encourage you to check for any fees when using an ATM before completing a transaction.

Don't press 'CR' at the ATM

Pressing the 'CR' option at the ATM when using your Visa Debit Card may result in additional fees. Always select the 'SAV' button when checking your balance or making an ATM withdrawal.

Selecting 'CR' when using EFTPOS facilities or performing contactless transactions are a free transaction.

Use BPAY® or direct debit for convenience and reducing fees

Where possible pay regular bills via BPAY® or with an automatic debit from your account. This also reduces the amount of time you spend on your banking.

Remember to avoid direct debit honour or dishonour fees by ensuring your account has sufficient funds to cover the entire amount of any direct debits or other scheduled payments.

Use Mobile Banking, Internet Banking and Phone Banking

Monitor and manage your accounts with our Mobile, Internet and Phone Banking. These services enable you to access your personal accounts every day of the year. Using these services to check your account balance and manage your transactions is convenient and easy.

Budget Planner

Take advantage of the budget planner available on our website at peopleschoice.com.au to assist with managing your bills.

Minimise card replacement fee

Keep your Visa Card in safe storage at all times to avoid replacement card costs.

Please refer to other sections of this document for fee details on specific accounts.
